Bio

Janusz Kaniewski, designer and founder of the design studio Janusz Kaniewski Design. Graduate of Transportation Design at the Istituto Europeo di Design in Turin. Longtime designer for Pininfarina, lecturer at the Istituto Europeo di Design in Turin and Royal College of Art in London. He designed, amongst others, cars: Lancia Delta, ski boots, shoes for fashion shows, new logo and interior design of Fiat's dealerships, the petrol station of the year 2012 – Orlen in Gdańsk, train seats, special vehicles, glass for Żywiec brewery. The first and only non-architect in SARP. Advisor to the Mayor of Gdynia on the aesthetics of the city, curator and co-organizer of Gdynia Design Days 2012 festival, one of the top ranked most creative (Brief) and innovative (Forbes) people in Poland. Today, his way of thinking and working is continued by the team of experts carefully selected by the designer.
